

# Need Help Setting Up Your Art Studio?

## ART CONSULTING STUDIO/BUSINESS SETUP

---

### Beverly Hooks

#### International Artist/Author/Art Instructor

Why make costly mistakes? Let's remove the stumbling blocks and let me help save you time and money while:

- Maximizing your studio space
- Organizing your studio for creative thinking
- Discovering your painting style
- Understanding the different mediums
- Setting up correct lighting
- Listing suppliers and sources
- Providing painting lessons & instruction
- Advising on how to submit to juried shows & exhibitions
- Advising on how to submit to Galleries
- Answering or finding solutions to your problems & questions

My consulting includes the entire above "How To" list with a 4 hour actual hands on set-up in your home studio. (Two hour set-up and two hour private lesson.) Out-of-state consulting is available.

**Call or email today for your complimentary 30 minute phone consultation.**
